

## PARASOL

### List of Publications 2006/2007/2008

- 'Knowledge based strategies for round worm control' Moredun Foundation Newsletter Jackson, F., Bartley, D. J. & Sargison, N Moredun Foundation Newsletter 2007
- Abouhafs R. (2007). Sustainable control of nematodes based on the targeted selective treatments in sheep farms in Morocco. Doctorate in Veterinary Medicine (DVM). Institute of Agronomy and Veterinary Medicine, Rabat.
- Alvinerie M and Lespine A. The role of drug transporters in the disposition of milbemycins and avermectins. Invited keynote. EAVPT September 18-22th, Turin (Italy), 2006.
- Alvinerie, M., Dupuy, J., Kiki-Mvouaka, S., Sutra, J.F., Lespine, A., 2008, Ketoconazole increases the plasma levels of ivermectin in sheep. *Vet Parasitol* 157, 117-122.
- Arsenos G., Fortomaris P., Papadopoulos E., Kufidis D., Stamataris K., Zygogiannis D. (2007). Meat quality of lambs of indigenous dairy Greek breeds as influenced by dietary protein and gastrointestinal nematode challenge. *Meat Science*, 76: 779-786.
- Bartley D.J. Anthelmintic resistance Edinburgh University Zoology Department, Parasitology Course. November 2007
- Bartley D.J., Lespine A., Dupuy J., Alvinerie M., McCallister H., Gordon Y., Jackson F. 2007 Investigations into the effects of P-glycoprotein and/or cytochrome P450 inhibitors on the phenotypic responses of various developmental stages of ovine nematodes. Proceedings of the 21<sup>st</sup> International conference of the World Association for the Advancement of Veterinary Parasitology, Gent. P167. 20<sup>th</sup> – 23<sup>rd</sup> September, abstract 076
- Bartley, DJ, Lespine, A, Dupuy, J, Alvinerie, M, McAllister, H, Gordon, Y & Jackson, F. Investigations into the effects of p-glycoprotein and/or cytochrome P450 inhibitors on the phenotypic responses of various developmental stages of ovine nematodes. WAAV P, Ghent (Belgium), 2007
- Bath, G F Prof., Principles of holistic internal parasite management applied to wildlife. SAVA Wildlife group 3-4 November 2006 - Published as proceedings
- Bath, G F Prof., Puesta en practica de un manejo holistico de las parasitosis internas en la especie ovina. *Pequenos Ruminantes Vol 8 Num 2 Julio 2007 p16-22*
- Belaid N. (2008) Validation of pathophysiological indicators for Targeted Selective Treatments of sheep in the Middle atlas in Morocco. Doctorate in Veterinary Medicine (DVM). Institute of Agronomy and Veterinary Medicine, Rabat.
- Benlamlih M. (2006). Anthelmintics resistance in small ruminants in Morocco-review. Doctorate in Veterinary Medicine (DVM). Institute of Agronomy and Veterinary Medicine, Rabat.
- Benzakour M. (2008). Control of nematodes in sheep based on Targeted Selective Treatments at Chaouia plain in Morocco. Doctorate in Veterinary Medicine (DVM). Institute of Agronomy and Veterinary Medicine, Rabat.
- Berrag B. Anthelmintic resistances in ruminants: recent Knowledges and control. 2008. *Bulletin de Transfert de Technologie*
- Berrag B., Allaoui R., Cabaret J. 2007. The basis for anthelmintic targeted selective treatment in high value Sardi sheep in Morocco: questionnaire survey and actual infection.

Proceedings: 21th International Conference of the WAAVP (ISBN 978 90 809 1596 1), Ghent, Belgium, p 267, abstract 269.

- Berrag, B., Ouzir M., Cabaret, J. Meat sheep farm structure and the acceptability of targeted selective treatments for controlling digestive-tract strongyles in Morocco. 2008. *Vet Parasitol*, Special issue.
- Bouilhol M., Cabaret J., Fossel M. Evaluation de quatre outils d'estimation de l'infestation par les strongles digestifs (ou de leurs effets) en production d'agneaux d'herbe biologique. Développement et innovation en agriculture biologique-Dinabio, 19-20 Mai 2008 Montpellier.
- Cabaret J. Pro and cons of Targeted selective treatment against digestive-tract strongyles of Ruminants. European Multicolloquium of Parasitology (EMOP X) Paris, 24-29<sup>th</sup> August 2008.
- Cabaret J., Antoine T. . The two main problems in evaluating resistance to antiparasitic drugs in populations of naturally infected hosts: efficacy variability and cut-off f value for resistance. EHRlich II (Congrès international de Pharmacologie); October 3-5, 2008, Nürnberg, Germany
- Cabaret J., Silvestre A., Cortet J., Sauve C. Nematode targeted selective treatments in lambs under temperate climate using weight gains, anaemia or diarrhoea scores. ICOPA XI - 11th International Congress of Parasitology. Glasgow (GBR), 6-11 August 2006, 2006: 1.
- Campbell C., Cringoli G., Coles G.C., 2007. Ivermectin resistance in cyathostomins in UK horses. Proceeding book of the the 21<sup>th</sup> International Conference of World Association for the Advancement of Veterinary Parasitology, 389.
- Carrière, S., Walsh, T.K., Wolstenholme, A.J. (2007). Developmentally regulated expression of ion channel drug targets in *Haemonchus contortus*. British Society for Parasitology Spring Meeting, Belfast.
- Charlier J., Camuset P., Claerebout E., Courtay B., Vercruyse J., 2007. A longitudinal survey of anti-*Ostertagia ostertagi* antibody levels in individual and bulk tank milk in two dairy herds in Normandy. *Research in Veterinary Science* 83, 194-197.
- Charlier J., Dorny P., Levecke B., von Samson-Himmelstjerna G., Höglund J., Vercruyse J., 2008. Serum pepsinogen levels to monitor gastrointestinal nematode infections in cattle revisited. Proceedings of the scientific meeting of the Belgian and Dutch societies for parasitology, Antwerp, 10 October, p. 27, poster.
- Charlier J., Duchateau L., Claerebout E., Vercruyse J., 2007. Predicting milk-production responses after an autumn treatment of pastured dairy herds with eprinomectin. *Veterinary Parasitology* 143, 197-390.
- Charlier J., Sanders M., Vercruyse J., 2008. The direct costs associated with gastrointestinal nematode and liver fluke infections in the Flemish dairy population. Proceedings of the 16th annual meeting of the Flemish Society for Veterinary Epidemiology and Economics, p. 57-59.
- Charlier J., Sanders M., Vercruyse J., 2008. The direct costs of infections with gastrointestinal nematodes and liver fluke in the Flemish dairy population. *Vlaams Diergeneeskundig Tijdschrift*, in press.
- Cringoli G., Veneziano V, Jackson F, Vercruyse J, Greer AW, Fedele V, Mezzino L, Rinaldi L. Effects of strategic anthelmintic treatments on the milk production of dairy sheep naturally infected by gastrointestinal strongyles. *Veterinary Parasitology* 156, 340-345, 2008.
- Cringoli G. FLOTAC, a novel apparatus for a multivalent faecal egg count technique. Proceeding book of the the 21<sup>th</sup> International Conference of World Association for the Advancement of Veterinary Parasitology, 271, 2007.

- Cringoli G. FLOTAC, a novel apparatus for a multivalent faecal egg count technique. *Proceeding book of the the 21<sup>th</sup> International Conference of World Association for the Advancement of Veterinary Parasitology*, 271, 2007.
- Cringoli G., 2006. FLOTAC<sup>®</sup>, a novel apparatus for a multivalent faecal egg count technique. *Parassitologia* 48, 381-384.
- Cringoli G., Rinaldi L., Veneziano V., Genchi C. A dual anthelmintic treatment strategic scheme for the control of fasciolosis in dairy sheep farms. *Parasitology Research* 99, 700-705, 2006.
- Cringoli G., Rinaldi L., Veneziano V., Pennacchio S., Morgoglione M.E., Santaniello M., Schioppi M., Fedele V., 2007. Gastrointestinal strongyle faecal egg count in goats: circadian rhythm and relationship with worm burden. *Proceedings of the LXI Congress of the Italian Society of Veterinary Sciences*, 76, 2007.
- Cringoli G., Veneziano V., Pennacchio S., Mezzino L., Santaniello M., Schioppi M., Fedele V., Rinaldi L. Economic efficacy of anthelmintic treatments in dairy sheep naturally infected by gastrointestinal strongyles. *Parassitologia* 49, 201-207, 2007.
- Cringoli G., Veneziano V., Rinaldi L., Sauvé C., Rubino R., Fedele V., Cabaret J., 2007. Resistance of trichostrongyles to benzimidazoles in Italy: a first report in a goat farm with multiple and repeated introductions. *Parasitol Res.* 101, 577-581.
- Cringoli G., Veneziano V., Rinaldi L., Sauvé C., Rubino R., Fedele V., Cabaret J. Resistance of trichostrongyles to benzimidazoles in Italy: a first report in a goat farm with multiple and repeated introductions. *Parasitology Research* 101, 577-581, 2007
- Davies P., Wells L., Cringoli G., Coles G.C., 2007. The prevalence of *Anoplocephala perfoliata* in abattoir and stabled horses. *Proceeding book of the the 21<sup>th</sup> International Conference of World Association for the Advancement of Veterinary Parasitology*, 384.
- Demeler J., Van Zeveren A.M., Coles G, Höglund J., Kleinschmidt N., Koopman R., von Samson-Himmelsterjna G., Vercruyse, J. 2007. Anthelmintic resistance in cattle – a developing problem? *Proceedings: 21<sup>st</sup> International Conference of the WAAVP.* (ISBN 978 90 609 1596 1), Gent, Belgium, p224, abstract 190.
- DesCôteaux L., Vanderstichel R., Dohoo I., Charlier J., 2007. Test ELISA pour la detection d' *Ostertagia ostertagi* chez la vache laitière. *Bulletin des groupements techniques vétérinaires.* Hors-série parasitisme des bovins 125-130.
- Dupuy J, A Lespine and M Alvinerie. Influence of anthelmintic drugs on P-glycoprotein transport activity in mdr1-LLC-PK1 cells. *EAVPT September 18-22th, Turin (Italy)*, 2006.
- Dupuy J, A Lespine and M Alvinerie. Influence of anthelmintic drugs on P-glycoprotein transport activity in mdr1-LLC-PK1 cells. *EAVPT September 18-22th, Turin (Italy)*, 2006.
- Dupuy J, Lespine A, Alvinerie M. 2006 The interaction between moxidectin and MDR transporters in primary cultures hepatocytes. *J Vet Pharmacol Ther.* 29: 107-11.
- Dupuy J, Lespine A, Sutra JF, Alvinerie M. 2006 Fumagillin, a new P-glycoprotein-interfering agent able to modulate moxidectin efflux in rat hepatocytes. *J Vet Pharmacol Ther.* 29(6):489-94.
- Dupuy J, Lespine A, Sutra JF, Alvinerie M. 2006 Fumagillin, a new P-glycoprotein-interfering agent able to modulate moxidectin efflux in rat hepatocytes. *J Vet Pharmacol Ther.* 29(6):489-94.
- Dupuy, J., Sutra, J.F., Alvinerie, M., Rinaldi, L., Veneziano, V., Mezzino, L., Pennacchio, S., Cringoli, G., 2008, Plasma and milk kinetic of eprinomectin and moxidectin in lactating water buffaloes (*Bubalus bubalis*). *Vet Parasitol* 157, 284-290.

- E. Gallidis, S. Ptochos, L. Parker & G.C. Fthenakis (2008). Efficacy and persistent prophylactic efficacy of long-acting moxidectin for control of trichostrongylid infections of sheep. *Small Ruminant Research* (accepted).
- El-Abdellati A. , De Graef J. , Vercruyssen J. , Skuce P. , Donnan A. , Claerebout E. , Geldhof P. Molecular analysis of the *GluClalpha3* gene in ivermectin-susceptible and ivermectin-resistant isolates of *Cooperia oncophora*. *Drug Resistance*, 10 October 2008, BSP and NVP Joint Meeting, ITG, Antwerp
- El-Abdellati A., Vercruyssen J., Wolstenholme A.J., Skuce P., Donnan A., Van Zeveren A.M., Claerebout E., Geldhof P., 2007 – Analysis of the L256F mutation in a new ivermectin resistant *Cooperia oncophora* isolate. Proceedings: 21st International Conference of the WAAVP (ISBN 978 90 809 1596 1), Gent, Belgium, p. 388, abstract 512

Leaflets produced at the occasion of the 24 th Maghreban Vet Congress, 4-5<sup>th</sup> May, 2007. Rabat

Leaflet in english entitled "Novel solutions for the sustainable control of nematodes in ruminants".

Leaflet in French entitled « De nouvelles solutions pour un contrôle durable des nématodes des ruminants »
